NOTICE

San Juan County received approval of its permit renewal application to operate a Class II non-hazardous solid waste landfill located approximately eleven miles south of Blanding, Utah. The landfill may accept non-hazardous solid waste including municipal waste, commercial waste, industrial waste, construction/demolition waste, yard waste, inert waste, and dead animals. The Division reviewed the application submitted by San Juan County and prepared a draft permit. The 30-day public comment period on the draft permit and application was published in the *Salt Lake Tribune*, *Deseret News*, and *The San Juan County Record* on August 15, 2007. No comments were received and the permit was granted on September 30, 2007.
